

America's #1 Rated Guitar Pick

Zager Carbon Flex Tip Guitar Pick
Clips onto any guitar!

- 40 years of research created what pros are calling the best guitar pick in the industry today.
- "Flex Tip" design rolls over strings eliminating string breakage, tuning issues, and excessive wear on coated strings.
- Patented ergonomic "Thumb Hole Pivot Point" with specially positioned holes for thumb, pointer and middle fingers allows for multiple finger positions that feel natural in your hand.
- Carbon "Flex Tip" design absorbs vibration allowing you to play longer with less fatigue.
- Symmetrical shape with 3 contact points last 3 times longer than teardrop picks and always lands perfectly in your fingers.
- Vented 4 hole design wicks away perspiration providing less slippage and better accuracy.
- Attaches to tuning gears when not in use making it impossible to lose.
- Used by many artists including Garth Brooks Band, Bruce Springsteen's Band, Johnny Cash Band.
- 100% money back guarantee
- Lifetime warranty - break a pick and we'll replace it free for life.
